## TOWN REPORT

TOWN WARRANT

---

## THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Plaistow in the County of Rockingham in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Plaistow on Tuesday, the Thirteenth day of March next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.
3. To see whether beer or other lawful alcoholic beverages shall be manufactured or sold locally as permitted under this act.

(Laws of 1933, Chapter 99, Section 22 requires the inclusion of this article in the warrant.)

4. To see if the Town will authorize the Selectmen and Treasurer to borrow money in anticipation of taxes.

Given under hands and seal, this twenty-fourth day of February, in the year of our Lord nineteen hundred and thirty-four.

WILLARD M. GRANT  
WILLIAM J. BURNS  
ARTHUR T. COLCORD  
Selectmen of Plaistow.

A true copy of Warrant—Attest:

WILLARD M. GRANT  
WILLIAM J. BURNS  
ARTHUR T. COLCORD

**TOWN REPORT****FIRE DEPARTMENT**

---

The following is the report of the Plaistow Fire Department from Feb. 1, 1933 to Feb. 1, 1934:

The Department answered 37 calls during the year, five of which were out of town. Help was called from Haverhill on one occasion.

The actual running expense for the year was \$900.

One thousand feet of  $2\frac{1}{2}$ in. hose and 200 feet of  $1\frac{1}{2}$ in. hose were purchased by money received from fighting fires out of town.

A dance committee from the association raised money to finish off the fireman's hall, install a water system in the engine house, and purchase new doors for the engine house.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

---

To the School Board and Citizens of Plaistow:

It is with pleasure that I submit my seventh annual report as Superintendent of the Plaistow Schools.

Following will be found interesting and encouraging reports which are given by Mrs. Eva Thompson, Supervisor of Music, and Miss Helen Thomas, the School Nurse.

This Union, of which Plaistow is a member, is comprised of the school districts of Salem, Hampstead, Atkinson, Plaistow and Newton which is arranged by the State Board of Education acting under the school law of 1919 by which the entire state, exclusive of cities, was divided into Unions for supervisory purposes. By this law the School Boards of the districts comprising a Union form a joint board which meets annually and nominates a Superintendent of Schools who is elected by the State Board.

The enrollment of pupils in our schools this past year was 237 which represents a decrease of 8 from last year. The attendance averaged 94.51% of the membership. The average for the state for this period was 95.13%.

One change has occurred in the teaching staff since my last report. Miss Elsie Dickinson resigned as teacher in Grade 5 and Miss Ida Cushing was elected to the position.

The excellence of the work of our teachers is confirmed by the results of our Standard Tests given this year. That there may be a uniform rate of progress along a definite course, the State Program of Studies has been carefully followed. By a chart of this kind we are assured of no duplication of effort and of a similar method of instruction between teachers as pupils pass from grade to grade.

During the Summer needed repairs to the Pollard School building were made. The heating plant was gone over and because of this is giving better results. The outside of the building was given two coats of paint.

Fifteen pupils were graduated from the 8th Grade. The medal given by the Sons of the American Revolution for good Citizenship was awarded to Mary Robinson.

Forty-two boys and girls from this town were enrolled in High Schools last September. Thirty-one of these were at Haverhill High, ten at Sanborn and one at Exeter High.

The Parent-Teachers' Association has helped us in many ways. Early in the fall a dental clinic was sponsored by the Parent-Teachers' Association for the school children. Dr. Bethel

of Manchester was here two days. He examined and did work for 75 children. Forty-five children received certificates for perfect sets of teeth. The Association has furnished shoes, over-shoes and mittens for children in need of them. There have been fewer requests for help of this kind than we had a year ago.

The local Red Cross has contributed funds which have been used for medicine and glasses for needy children. This organization, working through the school has furnished clothing to needy children, as well as cloth for making garments for the children.

During the last ten weeks of last year and again this year, one-half pint of milk on each school day has been furnished to children in need of milk. This milk has been paid for by funds furnished by the Federal Government. Twenty-five children are now receiving milk. The children receiving this milk have shown improvement in health.

Miss Carroll with the help of the 7th and 8th grade girls, makes hot cocoa for the children who wish it at noon luncheon. This is done from Thanksgiving to Easter. The cost has been two cents per cup. The Parent-Teachers' Association has paid for those that could not pay.

On November 24th, Grades 5-8 of the Pollard School gave the operetta "The Jolly Tars". Children from Grades 1-5 presented a health play and Westville School was represented by a recitation. The proceeds, about \$25.00, will be used for the school.

November 6-12 was observed as American Education Week. An invitation was extended to all parents to visit the schools during the week. Our registers show that almost one hundred visits were made by interested parents and friends. The visits not only made it possible for parents to see the accomplishments of their children in the classrooms, but also to see how our schools are conducted at the present time. It is our wish that more parents visit the classrooms in order that they may have a closer contact with the schools.

I wish particularly to call attention to the reports of your school nurse. Circumstances of the present have rendered her in many ways a community nurse as well as a school nurse. She has been efficient in securing means and co-ordinating the efforts of local and outside agencies for Community Aid.

The work of the teachers and school administration is not made less by a business depression. On the contrary it is increased. In most places there are more children rather than fewer, to be cared for in the public schools. They present by reason of the depression more serious problems of adjustment and education. The need for the service which the school can render is greater than ever.

The emphasis of present day education should be on preparing pupils for successful and happy careers by stressing fundamental character traits, such as carefullness, co-operativeness, willingness to work, loyalty, honesty, and open mindedness. The teacher must be an inspirer as well as a drill master.

The American public school will carry on because it possesses that which business, banking concerns, industrial concerns, and even governments have long sought after—namely the confidence of the public. In addition to this it possesses the faith of innumerable parents who believe that through education their children may be led into fields of greater opportunities and greater service to humanity.

In conclusion I wish to thank the School Board, Teachers and Citizens for their support and co-operation.

Respectfully submitted,

WILLIAM J. NELSON,  
Superintendent of Schools.

## REPORT OF SUPERVISOR OF MUSIC

To the Superintendent of Schools:

I have the honor to submit my annual report as Supervisor of Music in the Plaistow schools. In looking back upon the

year's work I find in every case co-operation and pleasant classroom associations.

During the past year music education in our schools has shown advancement which has been most gratifying. In the primary grades a repertoire of beautiful songs induces a love of music, and develops a good singing tone. Note reading is introduced in the second grade. In the intermediate grades a true sense of harmony is developed through two and three-part singing. In grades seven and eight, still richer harmony is experienced through four-part singing.

Musical appreciation is being carried on effectively with the help of the radio, and victrola. The seventh and eighth grade pupils make a thorough study of the instruments of the symphony orchestra.

The operetta the "Jolly Tars" written by Lawrence Hatfield and Irving Gingrich was presented by the fifth, sixth, seventh and eighth grade children on November 24. On the same program children from the first four grades gave a short "Health Play".

For the co-operation afforded me in my work, I extend my thanks to you and the teachers.

Respectfully submitted,

EVA W. THOMPSON.
